Mary Pellow March 10, 1950- May 17, 2009

WellsBrooke mourns the passing of Mary Pellow, RN. Mary lost her battle with Uterine Cancer on May 17, 2009, she was 59 years old. Mary died at Arbor Hospice surrounded by her family and friends. For those of us fortunate to know her on a personal basis, we will miss her friendship, support and willingness to listen. For those who knew her on a professional basis we will miss her years of nursing experience, knowledge and her kind and compassionate heart. Taking care of people was Mary’s greatest attribute. She cared for her patients, friends and most of all, her family. Mary is survived by her loving husband Carl, her children Monica (Robert) and Lance (Gina) and her grandchildren Hope, Grace, Rowan and Tate. As much as Mary loved being a nurse, she would tell you her favorite job was being “Grandma”.

Family and friends gathered to celebrate her life on May 22, 2009 at St. John Neumann Catholic Church. Mary was a well respected member of her church, community and the nursing profession and she will be missed.
