Nurse of the Year: Denice Kaldobsky

At our Nurse’s Day on May 5th, WellsBrooke celebrated the excellence of our Nurse of the Year, Denice Kaldobsky. Denice has been our shining star. She is a gracious, warm and extremely loving individual. It isn’t difficult to see how she became the amazing person she is today, when you see the love and support she brought with her to our celebration. Her family came by the car loads to honor her! We are blessed to have Denice as a member of our team. She is our “go to” nurse for any situation that needs special handling. We take full advantage of her vast array of skills, since she provides end of life care for clients and families, helps teach our gold training classes and is willing to take on whatever else we throw her way. So congratulations to you Denice, although we believe that we are the true winners this year.

HHA of the Year: Linda Boykin

Our Home Health Aide of the Year, Linda Boykin, represents WellsBrooke in the most positive way and has been doing health care off and on since she was 16. We chose her for this award because she is a joy to work with and an exceptional employee. She always goes to work and often covers shifts for other clients, even in Ohio. Her client speaks highly of her and says that she is an outstanding employee. Linda enjoys her job because she likes to help others and especially because she is helping people to stay and manage in their own homes. WellsBrooke is proud to honor you, Linda, as our HHA of the Year.

MHHA Course: Healthy Boundaries and Healing Hearts

We are continuing our monthly selected MHHA module in 2011 with **Healthy Boundaries and Healing Hearts — HBHH 2011**. All names of staff who provide proof of completion of this module during May will be placed in a drawing for a gift card or similarly valued prize. Our April winner was **Tauna McVicker** and she will receive a \$25.00 gift card.
